

REMARKS

Claims 1-6 are pending in the application. Claim 2 has been amended herein. Favorable reconsideration of the application, as amended, is respectfully requested.

Applicants acknowledge with appreciation the allowance of claims 1-6 subject to overcoming the informalities noted in the Office Action.

Applicants have amended Figs. 18-23 to include a legend "Conventional Art" as suggested by the Examiner. In addition, applicants have amended the title of the invention and the abstract in the manner suggested by the Examiner.

Claim 2 has been amended to recite, more appropriately, how the reel lock release member and the light emitting device are included "*proximate* the section" rather than "*in* the section".

Accordingly, all claims 1-6 are believed to be allowable and the application is believed to be in condition for allowance. A prompt action to such end is earnestly solicited.

Should the Examiner feel that a telephone interview would be helpful to facilitate favorable prosecution of the above-identified application, the Examiner is invited to contact the undersigned at the telephone number provided below.

Should a petition for an extension of time be necessary for the timely reply to the outstanding Office Action (or if such a petition has been made and an additional extension is necessary), petition is hereby made and the Commissioner is authorized to charge any fees (including additional claim fees) to Deposit Account No. 18-0988.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
